

ABDUL RAHMAN

abdulrahman.sde@gmail.com | +92 323 7449306 | Faisalabad, Pakistan

KEY SKILLS

- React.js, Next.js, Node.js, React Native, TypeScript
- Firebase, NodeJs, MongoDB, MySQL, WebSockets, Redis
- HTML, CSS, Tailwind CSS, SCSS, Bootstrap
- JavaScript, Vite

WORK EXPERIENCE

Freelance Full Stack Developer

Oct 2023 - Present

- Developed 2 web applications for local clients using React and Next.js
- Integrated Firebase for authentication and data storage
- Designed responsive interfaces, ensuring seamless user experiences.

PROJECTS

Meditrack ^{*}

[Source Code](#)

- Developed a billing web app for managing sales, inventory, and billing.
- Leveraged **Next.js**, **Firebase**, Tailwind CSS, and **TypeScript**.
- Integrated sales analytics, customer management, and automated invoicing.
- Optimized for cross-platform compatibility on mobile and desktop.

Foodman ^{*}

[Source Code](#)

- Built a food ordering web application for local restaurants with a responsive design.
- Employed React (**Vite**), **Firebase**, Bootstrap, and JavaScript.
- Implemented an admin dashboard, order history, and status tracking.
- Ensured seamless user experience on both mobile and desktop.

Chat App ^{*}

[Source Code](#)

- Created a mobile chat application for real-time communication and friend requests.
- Utilized **React Native**, **WebSockets**, MongoDB, **Node.js**, and JavaScript.
- Designed for a smooth user experience on mobile devices.
- Implemented chat history, friend acceptance/rejection, and online status.

EDUCATION
